COMMERCIAL AND PROFESSIONAL DIRECTORY

FOR 1910.

TELEGRAPHIC ADDRESSES AND TELEPHONE NUMBERS.

The Registered London TELEGRAPHIC ADDRESS and the TELEPHONE NUMBER of all firms, Companies and persons supplying the necessary information are inserted in this division of the work, and as every entry has been submitted to the firm or person concerned they may be used with every confidence.

In order to prevent the Directory being unnecessarily increased in size the words Telegraphic Address have been abbreviated to "T.A." and the word "London" has been omitted, but it must be understood that "London" should form part of every telegraphic address given in these pages, unless some other town is shown in connection with the address.

The Publishers will be glad to receive early notice of additions or cancellations.
